

Help your child progress from wobbly first steps to confident walkers with improved posture, balance and co-ordination.

# POINT, CALL, COPY: TRIKE CHALLENGE

## PURPOSE OF GAME:

**Spatial awareness, alertness to their surroundings and balance**

## HOW TO PLAY:

1. Adult secures the child into the Micro Trike with the seatbelt, ensures their feet are placed on the footrest and hands firmly on the handle bars.
2. Set off and the adult creates three challenge for the child eg. Point to everything you see that is red; Call 'doggy' every time they see a dog; Copy every nature sound you hear.
